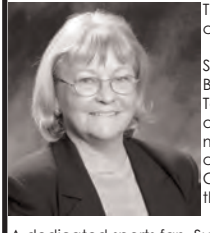
IN MEMORY



The 2009 Florida Marlins Media guide is dedicated to the memory of Suzanne Rayson, who lost her courageous battle with cancer on December 29, 2008.

Suzanne, a Toronto native, began her long sports marketing career in 1976 when she joined Telemedia Broadcasting where she worked with the Toronto Blue Jays and Maple Leafs. In her 10 years with Telemedia, Suzanne also handled certain broadcast responsibilities for the Montreal Expos and produced national radio for MLB's All-Star Games, League Championships and World Series. In 1985, she moved to New York and joined WABC to work on the New York Yankees and Jets broadcasts. This move commenced a 23-year sports career in the U.S. where she worked on the broadcasts of the Dallas Cowboys, Houston Oilers and Kansas City Royals. She finished her illustrious career with the Marlins as the Director of Broadcasting, a position she held since 2002.

A dedicated sports fan, Suzanne's love of sports, especially baseball, will live on. Her vibrant personality and energy will continue to be an inspiration to all who had the pleasure of knowing and working with her. The Marlins will honor Sue by initiating a scholarship fund in her name to assist broadcast journalism students in South Florida.

COMMUNITY AFFAIRS PHILOSOPHY

The Florida Marlins, L.P. is an active partner in the South Florida community. By supporting community and charitable causes, we are exercising our commitment of being a responsible and civic-minded business.

Through Cornerstones for Kids, the Marlins continuously reach beyond the walls of the stadium to meet face-to-face with fans of all ages. Baseball is a family game, and we are committed to ensuring that the Marlins impact every member of our diverse community in a positive manner.

The catalyst may be a player signing an autograph for a youngster reaching over the dugout, a hug from Billy the Marlin, a youth group receiving tickets for a game, or one of our players reinforcing the importance of education during Marlins @ School Week. We are committed to building a brighter future for South Florida.

FLORIDA MARLINS ALL HEART AWARD

The Florida Marlins presented the 2008 All Heart Award to Luis Gonzalez. The All Heart Award is presented to the Marlins player who best exemplifies the team's commitment to the South Florida community by making a positive impact on our youth and serving as a role model for others.

All Heart Award Winners

2000 Ryan Dempster	2005 Dontrelle Willis
2001 Preston Wilson	2006 Dontrelle Willis
2002 Mike Redmond	2007 Miguel Cabrera
2003 Juan Pierre	2008 Luis Gonzalez
2004 Jeff Conine	

Though his stay in South Florida lasted only one season, in Spring Training, Luis Gonzalez made his presence known in our community. The first instance of his generosity came only a few weeks into spring training, when he learned of a local paramedic/firefighter who was shot and killed. He organized an auction to raise funds for the family. He attended numerous FMCF events, while lending his time and services. Luis also hosted a very special evening, "Uncork for a Cause", which benefited The Florida Marlins Community Foundation, and featured Luis' unveiling of his very own 2006 Napa Valley Baseball Blend Red Wine and unique hand-signed fine wine collectibles.

Luis supported many causes in the short time he was here, such as the MLBPA Buses for Baseball program, serving as the player spokesperson - enlisting the support of his teammates to visit and spend time with the children from Amigos for Kids. He also spearheaded an effort that provided each RBI player and coach with various items, such as new Marlins batting helmets, bats, batting gloves, apparel, personalized duffle bags, socks, belts, hats, and even new fungo bats for the coaches. He surprised the team with the apparel prior to a Marlins game a few days before they left for the World Series.

CORNERSTONES FOR KIDS

The foundation of every child's future is a strong mind and a strong body. Through education, the arts and baseball, Cornerstones for Kids provides the tools for Florida's youth to develop both their minds and bodies in a positive manner.

EDUCATION

Get Hooked on Reading

Billy the Marlin encourages early childhood literacy, and he visits classrooms that are Hooked on Reading!

Marlins @ School

Marlins @ School is an on-line curriculum enhancement program that utilizes the Florida Marlins as the basis for the lessons. Marlins @ School aims to enhance the learning experiences of children in grades four through six by linking baseball to the curriculum areas of language arts, mathematics, science, health/fitness and geography. The program is free to educators and the lessons are in line with FCAT standards and requirements. Marlins players, coaches and broadcasters will visit approximately 20 participating classrooms during Marlins @ School Week in May.

Teach for America

The Florida Marlins have teamed up with Teach for America by adopting four South Florida classrooms through a $20,000 donation from the Florida Marlins Community Foundation. Teach for America is a non-profit organization that trains and places outstanding recent college graduates, of all academic majors, into classrooms in the most economically disadvantaged communities in America. The Marlins assist Teach for America by encouraging them to use educational tools such as Marlins @ School, as well as by providing incentives to the classrooms ranging from Marlins promotional items to tickets for a Marlins game. Additionally, visits from front office personnel, a holiday toy distribution and appearances by Billy the Marlin serve to encourage the kids to do well in school.

Educators Appreciation Night

The Marlins recognize the Teacher of the Year from Broward, Miami-Dade, Monroe and Palm Beach counties during a pre-game ceremony. Complimentary tickets are given to every school's Teacher of the Year nominee.

THE ARTS

The Marlins recognize that an important part of developing a strong mind is stimulating creativity and imagination. Therefore, the Marlins pursue partnerships with art programs and museums that strive to enhance the lives and learning of children and adults alike.

The Marlins Masterpieces Art Series

The Marlins Masterpieces Art Series artistically engages the youth of South Florida throughout the calendar year. Young artists are invited to participate in the three contests: the Spring Series, the Summer Series, and the Holiday Series.

Spring Series

The Spring Series challenges elementary school kids to create "Marlinized" pieces of work within the theme of Speed, Power and Teamwork.

Summer Series

The Summer Series encourages summer campers to put their creativity to the test by artistically altering a three-dimensional object into a Marlins Masterpiece.

Holiday Series

The Holiday Series invites elementary, middle and high school students to create the cover of the Florida Marlins Community Foundation's holiday card.

BASEBALL

Marlins Youth Baseball Clinic Series

The Florida Marlins Youth Baseball Clinic Series allows Marlins coaches and players the opportunity to pass along their baseball knowledge. In order to give children the experience of learning baseball from professionals, the Marlins conduct clinics on select Saturday mornings throughout the year. Marlins players and coaches reinforce the fundamentals of pitching, hitting and fielding.

RBI

Reviving Baseball in Inner Cities (RBI) is a youth outreach program designed to promote interest in baseball, increase the self-esteem of disadvantaged children and encourage them to stay in school and off the streets. The Florida Marlins supply uniforms, umpires and equipment for the leagues' participants.

Mini-Marlins

Since 2004, the Marlins have partnered with the City of Miami Parks and Recreation Department to offer the Mini Marlins League. Through the league, children have the opportunity to begin playing in the T-ball division and advance through the Coach Pitch division and into the Kid Pitch division. The league has been funded through the Florida Marlins Community Foundation.

Baseball Tomorrow Fund Equipment Drive

Hanley Ramirez and Dan Uggla team up to encourage all Marlins fans to donate to the Baseball Tomorrow Fund Equipment Drive. The collected equipment is distributed to disadvantaged ball players in South Florida. The 2009 collection will take place on July 17.

COMMUNITY OUTREACH

Ballpark Buddies/Corporate Partners for Youth

Through the Ballpark Buddies program, tickets are distributed to local charities and underprivileged youth groups throughout the season. The tickets are provided by the Florida Marlins Corporate Sponsors.

Charitable Donations

The Florida Marlins support local, non-profit organizations in their fundraising efforts. The Charitable Donation Request form is available in the Community Section of marlins.com.

Community Clubhouse

The Florida Marlins understand the tremendous impact local community-based organizations have on South Florida. During games, local organizations are invited to utilize the community clubhouse, located at the Community Corner at Section 149, to showcase their cause. They have the opportunity to distribute materials and heighten awareness for their organization.

Player Appearances

Marlins players make various community visits throughout the year. Visits to schools, hospitals, youth centers and local businesses give the players the opportunity to interact with fans outside the stadium.

Speakers Bureau

The mission of the Speakers Bureau is to educate fans and convey a positive message about the sport of baseball and the Florida Marlins. The Speakers Bureau encourages front office members to actively communicate the club's vision for the future, while listening carefully to the community for feedback.

Youth Baseball and Softball Partnership Program

The Marlins invite youth baseball and softball leagues throughout South Florida to become partners. Benefits include access to group rates for tickets, parades for league participants and exclusive league recognition during games.

Group/Fund Raising Efforts

The Marlins offer special group rates for events such as Salute to Youth Baseball Days, Scout Nights, Religious Organization Nights and Baseball Buddies. For more information, contact Marlins Group Sales at 1-877-MARLINS.

Community Foundation Grants

Grants are awarded to non-profit organizations in the South Florida area that focus on education, the arts and youth baseball/softball. The Grant Request Form is available online.

FLORIDA MARLINS COMMUNITY FOUNDATION

The Florida Marlins Community Foundation is committed to the betterment of South Florida's youth through the Cornerstones for Kids program whose goal is building a brighter future through education, the arts and baseball. Resources for contributions come from a variety of sources including player donations, corporate sponsorships, grants, events and programs.

Several players contributed to the Florida Marlins Community Foundation in 2008 helping fund grants and youth baseball programs. Additional grants supporting the Florida Marlins Community Foundation come from Teammates for Kids and the Wasie Foundation.

The Florida Marlins Community Foundation is best known for sponsoring and supporting various events throughout the year. Examples include the Marlins' Annual Awards Dinner, Bowling Tournament, Dinner on the Diamond, Fish 'N Chips, Golf Tournament, Jerseys Off Their Backs, Super Saturday Raffle, Fox Sports Florida Fantasy Auction and many more!

The Florida Marlins Community Foundation awarded $400,000 to over 200 organizations in 2008. Some of these partners include Adopt-A-Classroom, ALS Recovery Fund, Boys and Girls Clubs of America, Camillus House, Daily Bread Food Bank, Florida State League Scholarships, Junior Achievement, Make-A-Wish of Southern Florida, Muscular Dystrophy Association, Teach for America, and Women of Tomorrow. In addition, the Florida Marlins Community Foundation funds the RBI (Reviving Baseball in Inner Cities) program in South Florida.

The Florida Marlins Community Foundation enjoys a special partnership with the Club's rights holders. Fox Sports Florida sponsors the Annual Awards Dinner and the Fantasy Auction. It also produces an annual golf tournament show.

JEFFREY H. LORIA

MARLINS OWNER

- Jeffrey H. Loria begins his eighth season as Owner of the Florida Marlins in 2009. Under his leadership, the Marlins have won one World Series Championship and posted winning seasons four times, including three straight from 2003-05 and again in 2008. Prior to his tenure as Marlins Owner, the Club had produced just one winning season (1997) in nine National League campaigns.

- Loria officially became the third owner in Club history after purchasing the Marlins from John Henry on February 15, 2002, and he took over the team following the sale's unanimous approval by Major League Owners. Florida's winning percentage under Loria is .502, after the franchise posted a .451 winning percentage from 1993-2001.

- Following the 2007 season, Loria demonstrated his commitment to winning by signing Larry Beinfest (President, Baseball Operations), Michael Hill (VP, General Manager), Dan Jennings (Asst. GM, VP of Player Personnel) and Jim Fleming (Asst. GM, VP of Player Development and Scouting) to long-term extensions through the 2015 season.

- Loria led the Marlins to a World Series title in his second season, 2003, becoming the fastest majority owner to join a franchise and guide it to a championship since Detroit Tigers Owner Thomas S. Monaghan won in his first season in 1984.

- After a 16-22 start to that championship campaign, he made a managerial change on May 11, naming Jack McKeon the seventh manager in Marlins history. That, along with the acquisitions of American League saves leader Ugueth Urbina (Texas Rangers) and South Florida baseball favorite Jeff Conine (Baltimore Orioles) sparked the Marlins en route to a National League Wild Card and eventual World Series Championship.

- Florida won the 2003 World Series in six games over the New York Yankees, capped off by a 2-0 shutout at Yankee Stadium on October 25. The Marlins won 91 games that season, one shy of the Club record established during the 1997 Championship campaign. No team won more games than Florida from May 23 through the end of the season.

- Loria was named Chairman, Chief Executive Officer and Managing General Partner of the Montreal Expos on December 9, 1999. In his two seasons in Montreal, his commitment to field an exciting and competitive Club was demonstrated by his investment in payroll and the signing of several key players to long-term contracts to compliment All-Star outfielder Vladimir Guerrero, second base All-Star Jose Vidro and staff ace Javier Vazquez.

- Loria first became involved in professional baseball in 1989 when he purchased the Triple-A American Association Oklahoma City 89ers, now the Pacific Coast League's RedHawks, which he owned until 1993. He was named the American Association's Executive of the Year in 1992, the same season his Club won the Triple-A Championship.

- Born in New York City, he received his undergraduate degree from Yale University in 1962, before earning his MBA from Columbia University.

- A leading international Art Dealer since 1962, Loria specializes in major paintings and sculptures by 20th Century Masters. He is a former member of the Board of Directors of the Art Dealers Association of America and is an emeritus member of the Board of Directors for the Benjamin N. Cardozo School of Law of Yeshiva University in New York City. He is also active in numerous charitable organizations. He is the author of two books, "Collecting Original Art" and "What's It All About Charlie Brown?"

- Loria spends much time supporting many charities around the world, including hospitals, educational institutions and museums.

- Loria divides his time between his homes in New York and South Florida.

CARL BARGER

5

The Florida Marlins dedicated the Club's inaugural season to Carl Barger, who passed away December 9, 1992 at the Baseball Winter Meetings. Mr. Barger was the Marlins first President and Chief Operating Officer. The Marlins honored their first president by retiring number 5 (his favorite player was Joe DiMaggio) on April 5, 1993 and adding his name at the bottom of a specially designed inaugural season patch.

DAVID P. SAMSON

MARLINS PRESIDENT

- David Samson enters his 10th season in Major League Baseball and eighth as President of the Florida Marlins. He is one of only eight current Presidents in Major League Baseball who has presided over a World Series champion.

- As Club President, Samson oversees all aspects of the team's day-to-day business operations, including sales, marketing, operations and personnel matters. Under his leadership in 2008, the Marlins continued to outperform expectations on the field, finishing with the third best record in franchise history, while continuing to oversee a complete financial turnaround off the field. With the overall economy experiencing a downturn, the Marlins were still able to grow overall revenue for a 7th straight year.

- Samson works closely with Owner and CEO, Jeffrey Loria, on all baseball matters and general corporate strategy. Samson is also the President of the Florida Marlins Community Foundation, which focuses its efforts on baseball, arts and educational needs of the South Florida community. The Foundation distributed well over $1 million to worthy charities in S. Florida in 2008.

- Among his accomplishments, Samson was named one of Sports Business Journal's "Forty Under 40" for two years running, 2003-04. Other highlights, in addition to the 2003 World Series Championship, included the Florida Marlins being named South Florida's No. 1 Film and Entertainment Company of the Year and Baseball America's Organization of the Year.

- Samson, 41, was born in Milwaukee, WI, and was raised in New York City. He graduated from the University of Wisconsin-Madison with a Bachelor's in Economics in 1990. He received a Juris Doctor from the Benjamin N. Cardozo School of Law in New York City in 1993. He is a member of the New York State Bar. Following law school, Samson became President and Founder of News Travels Fast, the first company to deliver the New York Times to Europe on a same-day basis. In 1996, Samson joined Morgan Stanley, an investment bank in New York City, a position he resigned in 1999 when he joined the Montreal Expos as Executive Vice President.

McKeon guided Florida to a 241-207 (.538) record and three winning seasons during his three-season tenure.

- McKeon managed the Marlins to an 83-79 (.512) record in 2005. He became the all-time winningest manager in Club history on August 19 with a victory over Los Angeles (NL), surpassing Rene Lachemann, who had 221 wins from 1993-96. He earned his 1,000th win as a Major League manager on September 3 vs. New York (NL), becoming just the 52nd Major League skipper to reach that plateau. McKeon finished his magagerial career with a record of 1,011-940 (.518). Led the Marlins to an 83-79 record (.512) in 2004. He collected his 900th win on August 7 vs. Milwaukee, becoming the seventh active and 56th manager overall to reach the mark. On April 20, a 3-1 Florida win over the Phillies, McKeon collected his 2,000th professional managerial win: 1,146 as a minor league manager and 854 as a Major League skipper.

- Named the National League's Manager of the Year by the Baseball Writers Association of America on November 12, 2003, his second award (1999 with Reds) and the first Marlins skipper to win the honor. He collected 19 of 32 first-place votes and 116 points overall, ahead of Chicago's Dusty Baker (62) and Atlanta's Bobby Cox (56). He was the first manager hired during a season to be named Manager of the Year. Marlins Owner Jeffrey Loria announced McKeon's intention to return for the 2004 season at the Marlins' World Championship rally on October 28 at Miami's Bayfront Park Amphitheater when he told an overflow crowd "Jack is coming back." He was named 2003 "Sportsman of the Year" by *The Sporting News*, an honor he shared with Kansas City Chiefs' Head Coach Dick Vermeil. At 72 years, 329 days old, became the oldest skipper to lead his team to the World Series, ahead of Casey Stengel (70.067 in 1960 with NYY), Connie Mack (68.283 in 1931 with PHA). McKeon also became the oldest manager to win a World Series and the oldest Major League manager to reach the postseason for the first time. He was 72 years and 10 months old on the regular season's final day, nearly 10 years older than the previous record-holder, Burt Shotton (62 years, 11 months) in 1947 when he led the Brooklyn Dodgers to the NL pennant. Became the 12th manager to replace a fired manager and lead his team to the postseason. Was the seventh manager to take his team to the World Series (first since 1983 - Philadelphia's Paul Owens) and was the second to win the World Series, joining the Yankees' Bob Lemon (who replaced Billy Martin) in 1978. He was named the seventh manager in Marlins history on May 11, 2003, replacing Jeff Torborg. At the time, was 72 years old, the third-oldest manager in Major League history, behind Connie Mack (88) and Casey Stengel (75) and the fifth-oldest manager in the four major pro sports (Mack, Stengel, Marv Levy and George Halas). He posted a 75-49 record (.605) in his 124 games with the Marlins. On July 6 in Philadelphia, became the 63rd manager in Major League Baseball history to claim his 800th victory.

- Also managed the Kansas City Royals, Oakland A's, San Diego Padres and Cincinnati Reds. Led the Reds to an 85-77 record and a second place finish in the National League's Central Division in 2000. Spent two-plus seasons with the Reds, managing 550 games and notching a .529 winning percentage (291-259). Took over as manager of the Reds on July 25, 1997, replacing Ray Knight. Moved into the dugout after spending four-plus seasons in the Reds' front office as the Club's Senior Advisor, Player Personnel, a position he was named to on January 6, 1993. Spent parts of three seasons, 1988-1990, managing the San Diego Padres. Posted a 193-164 record in his 357 games with the Padres. Was relieved of his duties on July 11 and replaced by Greg Riddoch. Named the Padres manager on May 28, 1988. Managed Oakland in 1977 and 1978, going 71-105 in parts of two seasons. Began the 1977 season as manager, but was replaced by Bobby Winkles on June 10 as the A's were 26-27 and in fifth place in the AL West. Began the 1978 season as a coach for Oakland and was named manager again on May 23, 1978. Received his first taste of Major League managing when he was hired in October of 1972 to lead the Kansas City Royals. He continued with the Royals until July 24, 1975, when he was replaced by Whitey Herzog. Overall, posted a 215-205 record in 420 games with Kansas City.

- Posted a 1146-1123 record, a .505 winning percentage, in 17 seasons as a minor league manager. Was named Manager of the Year four times: 1958 at Missoula of the Pioneer League, 1961 at Wilson of the Carolina League and back-to-back awards in the American Association, winning with Omaha in both 1969 and 1970. His first experience as a manager came on June 11, 1955 at Fayetteville (NC), when he was named player/manager. Had his club in a first place tie until a hand injury on August 6 forced him from the lineup, and management replaced him in a move that allowed one person to handle both jobs. Following his stint with Kansas City, managed at Richmond in the International League in 1976 and led Denver of the American Association in 1979, following his two-year stay in Oakland.

- Prior to returning to the dugout on July 25, 1997, served as the Reds' senior advisor for player personnel, consulting with General Manager Jim Bowden on trades, player evaluations and special assignments. Joined the Reds organization in January 1993. Served as the Vice President/Baseball Operations with the San Diego Padres from 1980-90, when he earned the nickname "Trader Jack" for his penchant for multi-player deals. Before joining the Padres, worked for the Oakland A's as Assistant General Manager, scouting director, manager, scout and coach under owner Charles Finley. Prior to his employment with the A's, spent three seasons, 1965-1967, as a scout for the Minnesota Twins.

- In 1949, was signed by the Pirates organization as a catcher. In 1951 at Burlington he caught 139 of his club's 140 games. In 1951, as a 21-year-old player/manager, he led his Sampson (NY) Air Force Base team to the Air Force championship. Played 10 seasons in the minors, with the exception on the 1951 season, when he was in the military service.

- John Aloysius McKeon married Carol Isley on October 29, 1954. They have four children, daughters Kristi (7/27/60) and Kori (7/21/64) and sons Kelly (8/31/61) and Kasey (7/7/67). McKeon attended The College of the Holy Cross and Seton Hall University before graduating from Elon College in North Carolina with a Bachelor's of science degree in physical education. He was recognized with an honorary Doctorate degree from Barry University (FL) in 2005.

WHY THE MARLINS?

The Marlin, a gamefish native to the region, was selected as the Club's nickname because it is known for its fierce fighting and cleverness. But the selection also has historical basis. From 1956-70 and 1982-88, various minor league clubs in Miami carried the Marlins name.

- Established career-bests in every category as he became the eighth starter in Marlins history to record 15-or-more wins in a season...also became the 11th starter in franchise history to record 200.0-or-more innings in a single season.
- He started the season by making two appearances out of the bullpen, tossing 5.2 scoreless innings...allowed two hits in 3.0 innings, March 31 vs. New York...also threw 2.2 scoreless innings, April 6 vs. Pittsburgh, allowing only one hit.
- Inserted into the starting rotation, April 11 at Houston...earned first win of the season after allowing six runs (five earned) on seven hits (two home runs) with two walks and two strikeouts...opened the season with a 1-3 record and 7.46 ERA (25.1 IP/21 ER) through his first five starts...lowered his ERA from a season-high 6.46 on April 17 to his season-low 3.52 on the final day of the season.
- From May 9 through the end of the season, was tied with Cincinnati's Bronson Arroyo for the second most wins in the National League (14), one behind Chicago's Ted Lilly...posted a career-best five game win streak, June 10-July 7, where he owned a 1.83 ERA (44.2 IP/9 ER)...also had four-game win streak (five starts), May 9-May 31, posting a 2.76 ERA (29.1 IP/9 ER).
- He was awarded Bank of America Co-Player of the Week for June 16, with Pittsburgh's Ryan Doumit, as he went 2-0 with 1.23 ERA, marking his first career Player of the Week honor.
- Over his last 27 starts, went 14-5 with 3.08 ERA (181.1 IP/62 ER), while posting a 10-4 record and 2.83 ERA (146.1 IP/46 ER) over his final 21 starts...he recorded the fourth most quality starts in the NL (23), including 12 straight to finish the season...Marlins went 21-11 in games that he started.
- Tossed first career complete game, shutting out the San Francisco Giants, Aug. 19 at AT&T Park...walked one while striking out 11 batters, surrendering only two hits...his complete game snapped a stretch of 301 games that the Marlins had gone without a complete game, as the previous Marlins CG was provided by Anibal Sanchez, Sept. 16, 2006 at Atlanta.
- Struck out a season-high 13 batters, August 2 vs. Colorado...the 13 strikeouts equal the second most K's in a single game in franchise history, as AJ Burnett had two 14 strikeout performances.
- Tallied 51 strikeouts in August to set a new franchise record for most strikeouts in any month...no other pitcher in the history of the Marlins had ever reached the 50 strikeout mark, as Kevin Brown previously owned the record of 47 in May, 1997.
- Issued the ninth fewest walks in the NL among starters with 20-or-more starts...from July 28-Aug. 24, he struck out 51 batters and issued only three walks...according to Elias Sports Bureau, during the expansion era (since 1961), only six other pitchers had a six-start span during which they struck out at least 50 batters while issuing no more than three walks: Jim Kaat (1967), Ferguson Jenkins (1970 and 1971), Pedro Martinez (2000), Roy Oswalt (2001), Curt Schilling (2001 & '02) and Ben Sheets (2004).
- Held right-handed hitters to a .239 (89x372) average and 20 home runs, while lefties hit .238 (103x433) with eight home runs...his .240 average against ranked 12th among National League starters.

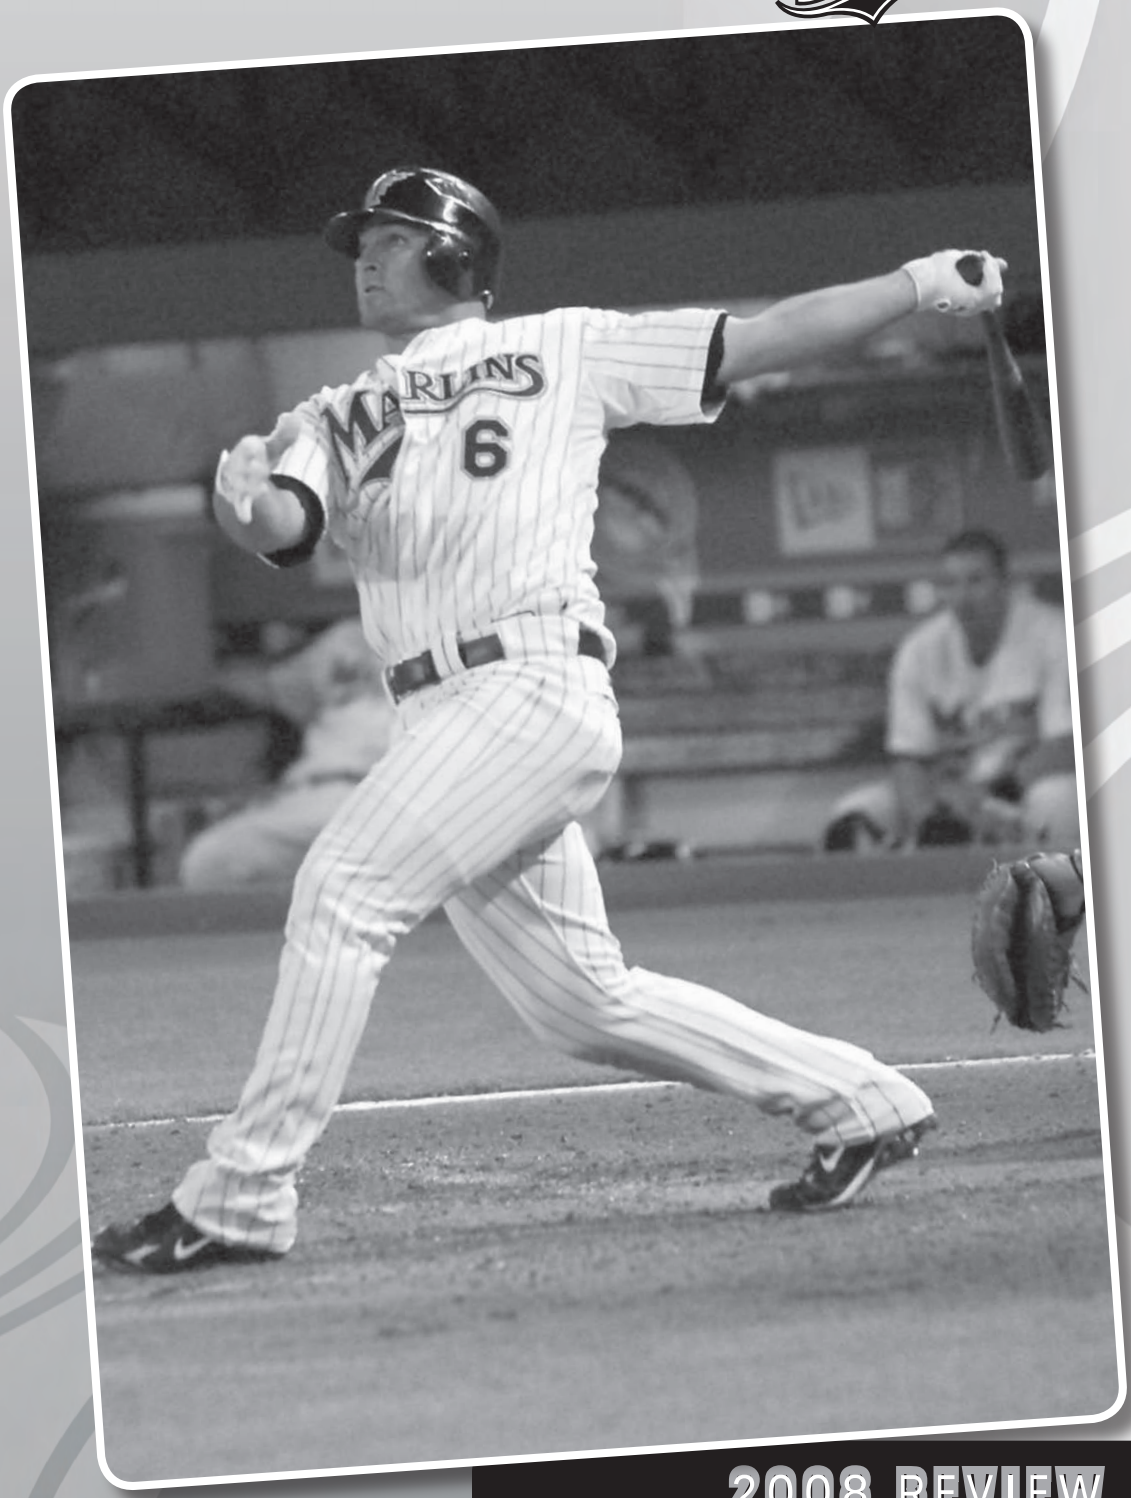
MARLINS™



2008 REVIEW

AND THE WINNER IS: Prior to the final game of the season, the South Florida chapter of the Baseball Writers Association of America presented their annual awards. Last year's winners were:

Most Valuable Player .....Hanley Ramirez
Rookie of the Year .....Chris Volstad
Jeff Conine Mr. Marlin Award .....Alfredo Amezaga
Charlie Hough Good Guy Award .....Luis Gonzalez

GOING LONG: Florida finished the season with a franchise best 208 home runs, knocking down the club's previous record of 201 in 2007...for the third consecutive year the Marlins have recorded a new franchise record for home runs in a season, as the 2006 squad hit a then club-best 182.

HOME RUN HISTORY: Hanley Ramirez (33), Mike Jacobs (32), Dan Uggla (32) and Jorge Cantu (29) became the first infield in Major League history to have four players with 25-or-more home runs in the same season.

INFIELD DIRT: The Marlins became only the second team in Major League history to have three infielders reach 30-or-more home runs in the same season, as shortstop Hanley Ramirez (33), first baseman Mike Jacobs (32) and second baseman Dan Uggla (32) broke the 30 home run barrier...the 2001 Oakland Athletics trio of first baseman Jason Giambi (38 HR), third baseman Eric Chavez (32 HR) and shortstop Miguel Tejada (31 HR) also reached the 30+ home run mark.

RUNNING MAN: Hanley Ramirez led the Major Leagues in runs with 125, matching the club record he set in 2007...Cliff Floyd is the only other Marlin to score 120+ runs in a single season, as he did so with 123 in 2001...Ramirez is the only Major Leaguer to score 120-or-more runs in each of the past two seasons and leads the Majors with 369 runs since 2006.

LEADER OF THE PACK: Hanley Ramirez connected for nine lead-off home runs in 2008 to establish a new club record...he previously hit eight in 2007, following up the seven he hit in his rookie season of 2006...Ramirez holds the franchise record with 24 career leadoff homers.

STARTING IT OFF: The starters went 31-31 with a 5.18 ERA (521.2 IP/300 ER) in the first half of the season, compiling 37 quality starts (6.0 IP/3 ER or less)...in games where the starters tallied a quality start, they owned a 22-2 record...after the break, the rotation went 22-21 with a 3.97 ERA (394.1 IP/174 ER) with two complete games...the starters notched 37 quality starts in the second half, while going 16-6 in those games.

UP THE MIDDLE: Hanley Ramirez (33) and Dan Uggla (32) hit a total of 65 home runs, tying the Major League record for the most home runs ever by a second base/shortstop combo...Alex Rodriguez (57) and Michael Young (8) previously held the record, as they connected for 65 in 2002...Young had 9 HR that season, but only 8 as a second baseman.

.500 OR BETTER: The Marlins finished the 2008 campaign with 84 wins, the fifth time in club history the Fish ended the season with a winning record and the first time since going 83-79 in 2005...the Marlins highest regular season win totals: 92, 1997…91, 2003…**84, 2008**...83, 2004 & 2005.

NOT SHORT ON POWER: With 33 home runs, Hanley Ramirez owned the sixth-highest home run total all-time by NL shortstops in a single season...Ernie Banks holds the record for most home runs by an NL shortstop with 47 in 1958...Banks hit 40+ home runs four times (1955, 1958, 1959, 1960), while Rich Aurilia hit 36 homers as a shortstop in 2001, the only other player to hit 33 or more homers from the position. *Elias Sports Bureau*

GOING THE DISTANCE: On August 19 at San Francisco, Ricky Nolasco tossed his first career complete game shutout, and the Marlins first complete game in 301 team games, breaking the longest complete game drought in Major League history...Anibal Sanchez was the previous Marlins starter to toss a complete game, Sept. 16, 2006 at Atlanta...eight days after Nolasco's nine-inning gem, Josh Johnson tossed his first career complete game, Aug. 27 at Atlanta.

ROOKIES USED: The Marlins used 12 rookies this season, with seven making their ML debut. The Marlins rookies last season (*=ML debut):

POST-SEASON FIRSTS: The Florida Marlins played their first franchise post-season game on September 30, 1997, a 2-1 win over the San Francisco Giants in Miami. RHP Kevin Brown threw the first playoff pitch in franchise history, to CF Darryl Hamilton. Brown collected the first Florida post-season strikeout, fanning J.T. Snow to lead off the second inning. Brown retired the first 14 Giants he faced before allowing the first hit to an opponent, a single to Stan Javier with two out in the fifth inning. Florida's first post-season batter was Devon White, who faced Kirk Rueter and popped out to second baseman Jeff Kent. The first Marlin to reach base was Gary Sheffield, on a two-out first-inning walk. The first Florida hit came off the bat of Bobby Bonilla, following the Sheffield walk. The first run allowed by Florida came in the top of the seventh, when Bill Mueller hit a leadoff homer. The Marlins scored their first run in the bottom of the inning, on a Charles Johnson leadoff homer.

A FIRST FOR EVERYTHING: The Marlins became the first team to qualify for the post-season and win the World Series as a Wild Card. At the time, Florida was the fastest expansion team to win the World Series, done in their fifth season. The Arizona Diamondbacks surpassed Florida's mark, winning their World Series title in 2001, their fourth season.

RECORD WINNING STREAKS: The Marlins were the third team in post-season history to sweep their first playoff series in team history, joining the 1914 Braves, who swept the Philadelphia A's, and the 1969 New York Mets, who swept Atlanta. Florida began its post-season run with four straight wins, only the second team in baseball history with a franchise-opening playoff win streak of four or more games. The Braves won five straight games to open their post-season history, a four-game sweep in the 1914 World Series and a win over Cleveland in the 1948 playoffs.

NATIONAL LEAGUE DIVISION SERIES NOTES

SWEEPING SUCCESS: With their 3-0 sweep over the Giants, the Marlins became the fastest expansion team to win a post-season series (surpassed by Arizona in 2001). Prior to the Marlins, the fastest NL team to win a playoff series was the New York Mets, in their eighth season. The Marlins won each of the three games over the Giants in comeback fashion, including games one and two in their final at-bats. The 1997 Marlins led the Majors with 24 last at-bat victories in the regular season.

NATIONAL LEAGUE CHAMPIONSHIP SERIES NOTES

LIVAN MOST VALUABLE, PART 1: Livan Hernandez went 2-0 with a 0.84 ERA in two appearances (one start) in the NLCS vs. Atlanta. He became the first pitcher in LCS history to record a win as both a starter (Game 5) and as a reliever (Game 3) in the same series. In Game 5, Hernandez established an NLCS record and tied an LCS record with 15 strikeouts, the second-highest strikeout game in post-season history. His 2-1 three-hit win in Game 5 was his first Major League complete game.

NUMBERS DON'T ALWAYS MATCH UP: The 1997 Marlins became the second team to advance to the World Series despite posting a lower batting average and higher ERA than their LCS opponent. The Braves outhit the Marlins .253 to .199 and had a 2.60 ERA, compared to Florida's 3.57. The first time it happened was in 1992, when the Braves topped the Pittsburgh Pirates, in a series managed by Bobby Cox and Jim Leyland.

WORLD SERIES NOTES

LIVAN MOST VALUABLE, PART 2: Livan Hernandez (2-0, 5.27 ERA) became the second rookie in MLB history to win the World Series MVP award, joining Larry Sherry of Los Angeles, who claimed the honor in 1959. Hernandez also became the first rookie pitcher in 50 years to win two World Series starts. The last rookie to do it was the Yankees' Spec Shea in 1947. Hernandez became the youngest pitcher to win a World Series opener at the age of 22 years, seven months and 28 days. He was the first rookie to win a Series game since Atlanta's Mike Stanton on October 23, 1991 (G4 vs. MIN) and first rookie starter to win since Baltimore's Storm Davis on October 15, 1983 (G4 at PHI). Prior to Hernandez, the last rookie starter to win a Series opener was Philadelphia's Bob Walk (October 14, 1980 vs. KC).

JIM LEYLAND: Marlins manager Jim Leyland became the first World Series manager not to have played in a Major League game since Boston's John McNamara in 1986. The last National League skipper without Major League playing experience was Philadelphia's Paul Owens in 1983. Leyland became the first manager to win his World Series debut since Cincinnati's Lou Piniella on October 16, 1990, vs. Oakland.

BRRR: In Game Three of the World Series, October 21, the Marlins and Indians played in 15-degree wind chill temperatures, the coldest World Series game ever played, according to records kept.

PLAYING EXTRAS: Game seven of the World Series, won by Florida, 3-2, on an Edgar Renteria single off Charles Nagy in the bottom of the 11th inning, was the third seventh game in World Series history to go to extra innings. The others were played in 1924 and 1991.

NOTABLE ACCOMPLISHMENTS: Jeff Conine became the first player to go from the expansion draft to the World Series with the same team. Conine was selected from Kansas City with the 22nd pick in the 1992 expansion draft. Conine and Alex Arias are the first players to play for a team in its inaugural season and reach the Fall Classic since the Mets' Ed Kranepool in 1969.

A WINNING DEBUT: The Marlins won their first-ever World Series game, October 18, 7-4 over Cleveland at home. The last two teams playing in their first World Series games won, the last being Toronto in 1992.

ALTERNATING WINS: The Marlins won World Series games one, three, five and seven, while the Indians took games two, four and six. It marked the third time in World Series history that teams alternated victories in all seven games, joining the 1909 Fall Classic between the Pirates and Tigers and the Yankees and Giants in 1962.

A HEART-STOPPER: Game Seven of the World Series marked the fourth time in World Series history that a winner-take-all game in the Fall Classic went into extra innings, along with the 1991 Series (MIN vs. ATL), the 1924 Series (WAS vs. NYG) and the 1912 Series (BOS vs. NYG). Overall, it marked the seventh time that a deciding World Series game went to extra innings, along with the 1933, 1939 and 1996 games. The 1997 Series was the 10th time a Fall Classic was won by the home team in the bottom of the ninth inning or later (with 1912, 1924, 1927, 1929, 1935, 1953, 1960, 1991 and 1993) and the fifth time in a winner-take-all situation.

WINNING A PAIR

The Marlins are one of three of Major League Baseball's expansion teams to win multiple World Series. Florida accomplished the feat in their first 11 seasons, the fastest among their expansion-mates.

EXPANDING INTO THE POSTSEASON

In only their fifth season, the Marlins became the fourth Expansion team to win the World Series. At the time, the Marlins were the fastest Expansion team to win a World Series title and the second-fastest to reach the playoffs.

The Marlins entered the 2003 post-season as the National League's Wild Card entry, the fourth team in Major League Baseball history to enter the playoffs as the Wild Card multiple times. The Marlins (also Wild Card in 1997), joined the New York Mets (1999 and 2000), the New York Yankees (1995 and 1997) and the Boston Red Sox (1998, 1999 and 2003). Florida is one of three Major League Baseball expansion teams to make the post-season at least twice in their first 11 seasons. Kansas City came into play in 1969 and made the post-season in 1976, 1977 and 1978. Arizona began play in 1998, and saw post-season action in 1999, 2001 and 2002. The Marlins are one of five teams to advance to the World Series as a Wild Card team and one of two (with Anaheim in 2002) to win it.

SIX STRAIGHT: The Marlins concluded the World Series with wins in each of their six playoff series to open the Club's franchise history. The six straight playoff series wins surpasses the mark of consecutive post-season series wins to begin a team's playoff history, done by the Boston Red Sox, 1903-1918. Of the 29 Major League franchises who have participated in post-season play, the Marlins are the only ones never to lose a series.

A WILD POST-SEASON: During the 2003 post-season, the Marlins posted three extra-inning victories, notched three wins when trailing by three or more runs and collected four wins in their final at-bats. According to Jayson Stark on ESPN.com, the Marlins are the fourth team in post-season history with three extra-inning wins and are the fourth team to win three games when trailing by three or more runs. Additionally, no post-season team had ever won more than four games in their last at-bat.

RECORD-SETTING CROWDS: The NLCS Game 4 crowd of 65,829 against the Cubs on October 12 set a new LCS attendance record, surpassing the previous mark of 65,476 (HOU @ PHI on 10/8/80). The Marlins also set a DS attendance record, drawing 65,464 in Game 4 vs. San Francisco (October 4). The October 23 World Series crowd of 65,975 was the largest World Series crowd since Game 7 of the 1997 Series when the Marlins drew 67,204 to see Florida host the Cleveland Indians.

NATIONAL LEAGUE DIVISION SERIES NOTES

A SERIES FOR THE AGES: The NL Division Series between the Marlins and Giants featured 72 year-old Jack McKeon and 68 year-old Felipe Alou. McKeon was the oldest manager to participate in post-season play in Major League Baseball history, while Felipe Alou was the fourth-oldest. Below is a look at the list:

JACK McKEON	2003 FLORIDA	72 YEARS OLD
Casey Stengel	1960 New York (AL)	70 years old
Connie Mack	1937 Philadelphia (AL)	68 years old
Felipe Alou	2003 San Francisco	68 years old
Tommy Lasorda	1995 Los Angeles	68 years old

The two opposing skippers in this NLDS, Jack McKeon and Felipe Alou, had a combined age of 140 years, the highest combined age of any two managers facing each other in post-season history. Below is a look:

COMB. AGE	YEAR	TEAMS	MAN.
140	2003	FLA-SF (DS)	McKeon / Alou
128	1958	NYY-ATL (WS)	Stengel / Haney
126	1957	ATL-NYY (WS)	Haney / Stengel
123	1949	BRO-NYY (WS)	Shotton / Stengel
118	1953	BRO-NYY (WS)	Dressen / Stengel

WHAT WAYS TO WIN IT: The Marlins closed out their series with the Giants in rather historic ways. On Friday, October 3, the Marlins downed the Giants, 4-3 in 11 innings. The Giants scored an unearned run in the top of the 11th and the Marlins countered with two unearned tallies in the bottom. It marked the first time since Game 8 of the 1912 World Series that a team came from behind to win a post-season game with two unearned runs in the bottom of an extra inning, according to the Elias Sports Bureau.

The Marlins followed that classic ending with more excitement on Saturday afternoon, October 4, when the Fish ended the NLDS with a 7-6 win over the Giants. The game ended as Jeff Conine threw out J.T. Snow at home plate off a Jeffrey Hammonds single to left. According to the Elias Sports Bureau, the event marked the first time in Major League Baseball post-season history that a series ended with the tying run being thrown out at home plate.

CABRERA MATCHES POST-SEASON MARK: Miguel Cabrera went 4x5 in Game 4 of the National League Division Series vs. San Francisco. The four hits tied a Major League post-season record for hits by a rookie, joining NYY's Derek Jeter (1996 ALCS G1), LA's Chad Fonville (1995 NLDS G2), NYG's Freddie Lindstrom (1924 WS G5) and STL Browns' Joe Garagiola (1946 WS G4).

Cabrera had four home runs and 12 RBI in the 2003 post-season, the best single-season rookie home run and RBI marks in MLB playoff history. Entering this post-season, Willie McGee (1982 STL) held the rookie RBI mark at 10. Hideki Matsui had 11 RBI in the 2003 playoffs, one behind Cabrera.

OH THOSE LEFT ON BASE: The Marlins and Giants combined to leave 30 men on base on October 3, setting a new NLDS record. The previous mark was 26, done by the Giants (16) and Mets (10) in a 13-inning contest on October 7, 2000.

NATIONAL LEAGUE CHAMPIONSHIP SERIES

PINCH ME: Mike Lowell became the sixth player in MLB post-season history to hit a pinch-hit home run in extra innings when he homered in the top of the 11th inning on October 7 at Chicago. Below is a look at the all-time post-season extra-inning PH homer list:

MIKE LOWELL (FLA)	G1 2003 NLCS at CHC
Trot Nixon (BOS)	G3 2003 ALDS vs. Oak
Mike Pagliarulo (MIN)	G3 1991 ALCS at TOR
George Vukovich (PHI)	G4 1981 NLDS vs. MON
John Lowenstein (BAL)	G1 1979 ALCS vs. CAL
Dusty Rhodes (SF)	G1 1954 WS vs. CLE

HOMERS SHALL FLY: The Marlins hit a team post-season high four home runs on October 7 at Chicago. Three of the homers (by Rodriguez, Encarnacion and Cabrera) came in the third inning, marking the first time in NLCS history that a team homered three times in an inning. Cabrera and Encarnacion's homers were back-to-back, the seventh time in NLCS history that a team had players hit back-to-back homers.

A RECORD-SETTING NIGHT: The 17 extra-base hits by the Marlins and Cubs on October 7 set a new LCS record, surpassing the previous mark of 12, done on October 5, 1975 (OAK and BOS) and October 9, 1993 (PHI and ATL). The seven HR by both teams also set a new LCS record.

CABRERA AMONG THE YOUNGEST: On October 7 at Chicago, Miguel Cabrera became the second-youngest player to homer in the post-season, at 20 years, 182 days. The youngest player to go deep in the playoffs was Atlanta's Andruw Jones (19.178) on 10/17/96 vs. STL.

DONTRELLE WITH THE BAT: Dontrelle Willis became the first Marlins pitcher to collect a multi-hit game in post-season play as he went 3x3 on October 4 vs. SF. Willis' three hits set a post-season rookie pitcher record. He was the first pitcher to post a three-hit post-season game since LA's Orel Hershiser did it in game two of the 1988 World Series vs. Oakland.

BECKETT'S BEST: The Marlins forced a Game 6 in the NLCS as RHP Josh Beckett threw the first complete game (CG SHO) of his career (regular and post-season) on October 12. The two-hit shutout by Beckett tied the NLCS record for fewest

hits allowed in a complete game, joining CIN's Ross Grimley (10/10/72), NY's Jon Matlack (10/7/73) and SF's Dave Dravecky (10/7/87). Beckett's effort was the 15th complete game shutout in NLCS history. Beckett became the first pitcher to shut out the Cubs in a post-season game since Boston's Babe Ruth, who blanked the Cubs in Game 1 of the 1918 World Series.

IN SELECT COMPANY: According to research by ESPN, Josh Beckett became the third pitcher in post-season history to throw a complete game shutout, allowing two hits or less and fanning 10 or more. Beckett joins Roger Clemens (2000 ALCS vs. SEA, 15 K) and Big Ed Walsh (1906 WS vs. CHC, 12 K) on that list.

IN AN ELIMINATION GAME: According to Jayson Stark of ESPN.com, Beckett became the fourth pitcher in the last 40 years to pitch a CG SHO with his team facing elimination (excluding G7's in LCS or WS or G5's in DS). Beckett joins the list with Curt Schilling (1993 WS), Danny Jackson (1985 ALCS) and Joe Coleman (1972 ALCS).

BIG INNING: The Marlins scored all eight of their runs in the eighth inning on October 14 at Chicago in an 8-3 win. The eight-run inning established a Marlins playoff record, surpassing their previous best of seven, done in the ninth inning of Game 3 of the 1997 World Series (October 21). The eight-run inning also ties an overall Marlins' record for runs scored in an inning, done for the ninth time overall and the first time since July 25, 2003 vs. PHI. The Fish were one run from tying the all-time NLCS record (nine), done by St. Louis in the second inning on October 13, 1985 vs. LA.

According to ESPN, the Marlins became the fifth team in LCS history to come back from a three-run or greater deficit in post-season play to win when facing elimination, and the first since Game 5 of the 1986 ALCS (Game 5 - Boston at California).

BACK FROM 3-1: The Marlins became the fourth team in LCS history (since 1985) to overcome a 3-1 deficit to capture the pennant. Prior to Florida's accomplishment, only one NL team had done it, the 1996 Atlanta Braves, who won three straight over St. Louis to advance to the World Series. Below is a look at the list of 3-1 LCS comebacks:

Year	LCS comebacks	World Series result
1985	KC over Toronto	KC over STL (4-3)
1986	Boston over California	NYM over BOS (4-3)
1996	Atlanta over St. Louis	NYY over ATL (4-2)
2003	Florida over Chicago	FLA over NYY (4-2)
2007	Boston over Cleveland	BOS over COL (4-0)

AN MVP PERFORMANCE: Marlins catcher Pudge Rodriguez was named the NLCS Most Valuable Player, as he hit .321 (9x28) with two home runs and 10 RBI. The 10 RBI set a new NLCS record, surpassing the previous mark of nine, done by San Francisco's Matt Williams in 1989. Rodriguez became the fifth catcher in NLCS history to win MVP honors. Pudge joins STL's Darrell Porter (1982), ATL's Javy Lopez (1996), ATL's Eddie Perez (1999) and SF's Benito Santiago (2002).

A TOUGH TRICK TURNED: The Marlins advanced to the World Series by winning consecutive road games trailing three games to one, a feat done for the fifth time in post-season history: 1958 (NYY over MIL Braves in WS), 1968 (DET over STL in WS), 1979 (PIT over BAL in WS), 1985 (KC over TOR in ALCS) and 2003 (FLA over CHC in NLCS).

WORLD SERIES

The Marlins became the first team in MLB history to reach the World Series as a Wild Card entry twice.

OF HISTORIC SIGNIFICANCE: The Marlins became the third expansion team to win multiple World Series, joining the New York Mets and Toronto Blue Jays. The Jays won their two World Championships in their first 17 seasons, while the Mets did it in their first 25 campaigns. The Marlins won two World Championships in their first 11 Major League seasons. The Marlins would become the first team in the post expansion era to accomplish the feat.

JACK McKEON: Marlins manager Jack McKeon became the second manager in Major League Baseball history to lead his team to a World Series championship after taking over his Club during the season. The first manager to accomplish the feat was the Yankees' Bob Lemon in 1978, when he replaced Billy Martin.

EXPANSION NOTABLES: The Marlins were one of five expansion teams to reach the World Series multiple times. The New York Mets lead the list with four Fall Classic entries (win in 1969, loss in 1973, win in 1986 and loss in 2000). The Marlins, San Diego Padres (loss in 1984 and loss in 1998), Toronto Blue Jays (win in 1992, win in 1993) and Kansas City Royals (loss in 1980 and win in 1985) have each made two World Series appearances.

AGE IS A STATE OF MIND: Marlins manager Jack McKeon became the oldest skipper to lead his team to the World Series, as the Series opened with McKeon 72 years and 329 days old. McKeon is ahead of Casey Stengel (70.067 in 1960 with NYY), Connie Mack (68.283 in 1931 with PHA), Stengel (68.063 in 1958 with NYY), Mack (67.283 in 1930 with PHA) and Stengel (67.064 in 1957 with NYY).

McKeon was the first manager since Philadelphia's Paul Owens (in 1983) to lead his team to the World Series after not beginning the season as that Club's skipper.

HOW DO YOU DO, MR. GONZALEZ: Alex Gonzalez hit a walk-off homer off the Yankees' Jeff Weaver in the bottom of the 12th inning on October 22. It marked the first walk-off homer in Marlins post-season history and holds significance in Baseball history. It marked the 13th time that a World Series game ended on a home run and the first time since October 31, 2001 (G4 vs. ARI), when Derek Jeter homered in the bottom of the 10th inning.

According to research done by ESPN, Gonzalez was the third player in Baseball history to have his first career post-season homer come as a World Series walk off, joining Dusty Rhodes (1954 NYG vs. CLE) and Eddie Mathews (1957 MIL Braves vs. NYY). ESPN also noted that Gonzalez was the third player to hit a walk-off homer against the Yankees in World Series play, joining Bill Mazeroski (1960 G7) and Mathews (1957 G4).

A PENNY FOR YOUR THOUGHTS: RHP Brad Penny went 2-0 with a 2.19 ERA in two World Series starts against the Yankees. Penny became the 13th pitcher to beat the Yankees twice in the same Series, joining Sandy Koufax, Bob Gibson and Randy Johnson as the only four to do so in the last 40 years.

BECKETT NAMED WORLD SERIES MVP: Josh Beckett (1-1, 1.10 ERA in WS) became the youngest World Series MVP since 22 year-old Livan Hernandez claimed the honor for the Marlins in 1997. Beckett became the first pitcher since Minnesota's Jack Morris in 1991 to pitch a complete game shutout in a deciding World Series game, the 19th overall in baseball history. It was the first complete game shutout in a World Series game since Arizona's Randy Johnson on October 28, 2001 at New York. Beckett's five hits were the fewest hits in a deciding complete game shutout since Baltimore's Scott McGregor (5) in 1983. He became the youngest pitcher to win a deciding World Series game (23 years, 5 months, 10 days) since Kansas City's Bret Saberhagen (21.6.16) in 1985. Beckett fanned 47 batters in the 2003 post-season, tying Randy Johnson (2001) for second most strikeouts in a single post-season behind Arizona's Curt Schilling in 2001 (56).

MINOR LEAGUE RECAP

HONORS IN ABUNDANCE: In 2008, Marlins minor leaguers garnered a long list of league awards and honors led by two of the organization's first basemen, as Gaby Sanchez of the Carolina Mudcats (Southern League - AA) and Logan Morrison of the Jupiter Hammerheads (Florida State League - A) were named their league's MVP. Along with the two MVP awards, the Marlins system featured, 36 combined All-Stars, 27 Players of the Week, four Player of the Month awards, MiLB's Class-A Player of the Year (Greensboro's Michael Stanton), and MiLB's 2008 home run champion – Dallas McPherson (42 HR). In addition, Morrison and righthander Ryan Tucker were honored as the organization's Player and Pitcher of the Year for 2008, respectively.

Tucker, the Marlins Minor League Pitcher of the Month in April, went 5-3 with a 1.58 ERA (91.0 IP/16 ER) in 25 games with Carolina, allowing 64 hits and a .195 average against. In 12 starts at Double-A, he posted a 4-2, 1.41 record. After a stint in Miami, Tucker returned to Carolina in a relief role owning a 1-1 mark and 2.14 ERA (21.0 IP/5 ER) in 13 appearances for the Mudcats. At the Major League level, he went 2-3 with an 8.27 ERA (37.0 IP/34 ER) in two stints with the big league club. Tucker, the club's compensation pick (34th overall) in the 2005 draft, became the first member of the 2005 Marlins draft class to reach the Majors.

Morrison, the 2008 FSL Most Valuable Player, played 130 games for the Hammerheads and concluded the season by leading the league in batting (.332), hits (162), doubles (38), on-base percentage (.402), and ranked sixth in RBI (74), while piling up 13 home runs and 71 runs scored. The Marlins' 22nd round pick of the 2005 First-Year Player Draft, Morrison won the Florida State League TOPPS Player of the Month award for July, as he batted .396 (40x101) with four home runs and 16 RBI in 26 games in the month.

MINOR TRANSITION: In 2008, the team used twelve rookies throughout the season, with all but three making their Major League debut (Maybin, De La Cruz, Carroll). Despite the noticeable contributions of all the farmhands that suited up for the big league club, John Baker and Chris Volstad (Marlins Rookie of the Year as voted on by South Florida's BBWA) made an immediate impact. Volstad's success in Carolina (4-4, 3.36, CG) indicated his callup was inevitable, while Baker (.321 BA, 6 HR, 31 RBI in 59 G at Albuquerque) made his presence known by leading the Marlins in batting after the All-Star break (.304) following his callup on July 8. Volstad, who won in relief in his ML debut July 6 in Colorado, would later make his first ML start on July 11 at Dodger Stadium. The Palm Beach native became the sixth player since 1971 to record a win in his first two ML appearances; one as a starter, the other as a reliever.

BRIGHT FUTURES: Following the appearances of teammates Chris Coghlan (U.S. Team) and Rick VandenHurk (World Team)at the 2007 Futures Game, Jesus Delgado (5-2, 4.76 ERA at AAA & AA) was the lone representative from the Marlins organization in 2008 and pitched a scoreless inning of relief for the World team in their 3-0 victory over the U.S. Delgado was recognized for his accomplishments with not only his World Team selection, but also when he was recalled by the Marlins on September 16.

FEELING 'SO-CAL': For the second straight year, the Florida Marlins drafted a Los Angeles area native in the First-Year Player Draft. The Marlins chose Kyle Skipworth with the sixth overall pick of the 2008 amateur draft. In 30 games as a senior at Patriot HS in Riverside, CA, Skipworth posted a .543 average wtih 13 home runs and 47 RBI en route to being named the 2008 Gatorade National Player of the Year. Among the team's top eight picks, Skipworth was the first of four selections from the Southern California area (LHP Edgar Olmos: 3rd - #83, RHP Graham Johnson: 6th - #178, OF Isaac Galloway: 8th - #238).

STEVEN PHILLIPS

HITTING COACH

Steven Phillips returns for his fourth season as the triple-A hitting coach for the Marlins and eighth season in the organization. In 2005 he served as the hitting coach for the Carolina Mudcats and from 2003-04 he managed the Greensboro Bats. He began his Marlins career as the manager of the Kane County Cougars in 2002.

Overall, Phillips enters his 12th season in the coaching ranks after spending four years in the Montreal Expos system, including the 2001 season as manager of Clinton in the Midwest League, the 2000 season as manager of the Gulf Coast Expos and the 1999 campaign at double-A Harrisburg.

Phillips signed as a free agent out of the University of Kentucky in 1991, where he played both football and baseball. He played seven seasons of professional baseball, including four in the New York Yankees organization.

He, his wife, Melissa, sons Christoper and Marcus, and daughter MacKenzie reside in Sioux Falls, SD.

STEVE MILLER

TRAINER

Steve Miller returns for his fourth season as the triple-A head athletic trainer and 10th year in baseball. Prior to his current position, Miller spent time with Carolina in 2004, Greensboro in 2003 and Kane County in 2002.

He began his career with Jupiter in 2000 and spent the following year with the Gulf Coast League Expos.

Mitchell received a Bachelor of Science in athletic training from Southern Illinois University in 1997 and a Master of Science in kinesiology from the University of Nevada-Las Vegas in 2000.

ZEPHYR FIELD

Celebrating its 13th year in 2009, Zephyr Field - "the Shrine on Airline" - has become the focal point for family entertainment in the Greater New Orleans area. Over four million fans have attended a variety of events at the stadium since it first opened April 11, 1997. The Zephyrs have drawn more than 320,000 fans in each of their nine seasons on Airline after drawing fewer than 200,000 in each of their four seasons at Privateer Park.

In the aftermath of Hurricane Katrina in 2005, Zephyr Field served as a staging area for rescue operations by FEMA and the National Guard. On April 6th, 2006 Zephyr Field opened its gates to an opening day crowd of 11,006 to kick off a season that would see the New Orleans Zephyrs become the first professional sports team to permanently return to New Orleans following Katrina.

Recently, Hollywood has also taken notice of Zephyr Field, as the ballpark is featured in the 2004 film "Mr. 3000" and the 2006 film "Failure To Launch."

The state of Louisiana paid $21 million to build Zephyr Field as part of a capital outlay bill that also included the New Orleans Saints' state-of-the-art practice facility, as well the New Orleans Arena, which is adjacent to the Superdome.

BASEBALL GROUNDS

The Baseball Grounds of Jacksonville, which opened in 2003, is one of the premier minor league ballparks in North America. The ballpark was the first completed project of the Better Jacksonville Plan. Featuring an old-fashioned design, brick facade and a grass seating berm, the Baseball Grounds reminds fans of the days of yesteryear and preserves all of the wonderful tradition baseball has to offer. The vivid sightlines capture the action up-close while providing fans with comfortable seating and easy access to concessions and restrooms. The playing field boasts the longest distance between home plate and center field in the Southern League at 420 feet.

The Baseball Grounds was built for an estimated $34 million, paid for by Jacksonville residents as part of a tax approved in 2000 to fund the "Better Jacksonville Plan," an initiative to improve the city's infrastructure. The adjacent Jacksonville Veterans Memorial Arena was also funded through the plan and was completed in November 2003.

Including berm and bleacher seating, The Baseball Grounds can accommodate up to 11,000 fans per game, and also featuring 12 luxury boxes, four skydecks, a playground, and the "knuckle," a unique nine-foot high mound for seating at the left field corner.

RUSSELL E. DIETHRICK, JR. PARK

Built in 1941 Russell E. Diethrick, Jr. Park is the second oldest ballpark in the NY-Penn League. The stadium is owned by the City of Jamestown with the Jammers leasing it as the primary tenant. It was originally known as Jamestown Municipal Stadium and hosted the Jamestown Falcons of the "Pennsylvania-Ontario-New York League" (PONY League), which is now known as the NY-Penn League. The park was later unofficially known as College Stadium after Jamestown Community College relocated their campus right behind the park on Falconer Street in 1961.

On August 9, 1997 the park was renamed Russell E. Diethrick, Jr. Park in honor of Jamestown's "Mr. Baseball." It was dedicated to Mr. Diethrick as he has been player, manager, owner, supporter and friend of professional and youth baseball in Jamestown as a for longer than most can remember. Russ is currently the Community Development Officer for Jamestown Savings Bank. He is an important member of the voluntary Jamestown Jammers Executive Advisory Board, and is the Host President of the Jamestown Babe Ruth World Series Committee and a member of the National Board of Directors for Babe Ruth, Inc.

Diethrick Park has recently seen numerous renovations to modernize the ballpark. By the start of the 2006 Jammers season the park featured a brand new scoreboard and sound system. The Park also hosts all Jamestown Community College and Jamestown High School home baseball games, and the Babe Ruth World Series (most recently will be in 2008) as well as many other local Babe Ruth games.

INTERLEAGUE FACTS

· The Marlins have the sixth-best winning percentage in Interleague Play in the Majors at .547 (110-91). The Marlins were 5-10 in Interleague Play in 2008.

· The Marlins have suffered only three losing seasons in Interleague Play since its inception in 1997: 2000 (8-9), 2004 (7-11) and 2008 (5-10). The Marlins posted a franchise-best 12-3 Interleague record in 1997. It was the best single-season interleague performance by any Major League franchise until 2006, when Boston (16-2), Minnesota (16-2), and Detroit (15-3) trumped the mark.

· In 2008, Mike Jacobs posted two home runs in Interleague play, also driving in seven runs. He tied a franchise record in home runs by a designated hitter, equaling the record previously tied by Miguel Cabrera, Cliff Floyd and Kevin Millar. Jacobs' seven RBI also matched a club record for RBI by a DH, matching the total set by Millar in 2000.

GENERAL INFORMATION

CREDENTIAL APPLICATIONS: We are using Major League Baseball's online credentialing system. Media credential applications are now available online at **credentials.mlb.com.**

SEASON CREDENTIALS: Season credentials will be issued only to those legitimate newsgathering organizations that plan to cover the Marlins on a daily basis. Credentials will be issued only to members of the working press 18 years of age and older. No spouses, guests or children of members of the press will be issued credentials. Press passes are not transferable. Credentialed members of the media are prohibited from obtaining autographs, personal photographs or equipment on the playing field, in the dugout or clubhouse. Any violation of these guidelines will result in immediate revocation of credential and future access. Only credentials issued by the Florida Marlins, Major League Baseball or the BBWAA will be honored. Credentials must be visible at all times.

DAILY CREDENTIALS: Daily credentials will be issued to those legitimate newsgathering organizations who do not qualify for season credentials. Any organization that anticipates the need for daily credentials must have a letter on file with the Florida Marlins Media Relations Department. If your affiliation has not previously requested credentials from the Marlins, and the Media Relations Department does not have a letter on file, the letter may be sent by FAX (305) 626-7302 or via email to **credentials@marlins.com**, and it must be received at least one week in advance of the game(s) requested. You will then be informed via e-mail of the status of your credential request. All credential requests must include a valid phone number and e-mail address. Daily credentials are subject to the same restrictions as season credentials and any violation will result in revocation of the credential and any future access.

PHOTO CREDENTIALS: Credentials will be issued to those photographers on assignment for legitimate news gathering organizations and those representatives of companies licensed by Major League Baseball. Photographers for licensees will only be granted daily passes. Priority in all areas will be granted to news organizations on nightly deadlines. No freelance photographers will be granted credentials and all photographs taken are to be used for newsgathering purposes or officially licensed products. Any other use of photographs taken will be considered a violation of the conditions under which the credential is issued and result in no further credentials being issued.

CLUBHOUSE ACCESS: Access to the Florida Marlins clubhouse both before and after games will be limited to those organizations who are filing stories on a daily deadline. Clubhouse access will be granted to all media when special situations arise, as determined by the Marlins Media Relations Department. The clubhouse is open to all media with proper credentials 3 1/2 hours before game time and then closes one hour prior to the start of each game. It re-opens no later than 10 minutes after each game. Policies regarding access between games of doubleheaders and during rain delays will be determined by the Marlins Field Manager. Access to the visiting clubhouse is subject to the visiting club's guidelines.

FIELD ACCESS: All credentialed members of the media will be given access to the playing field prior to each game. No media will be allowed in fair territory or beyond the first and third base bags. All non-uniformed personnel must clear the field at the conclusion of visitors batting practice unless that individual has credentials expressly for in-game field privileges (photo passes, pregame ceremonies, etc.). Live shots are permitted on the field until 35 minutes prior to the first pitch.

LIVE TRANSMISSIONS: Television and radio stations not holding broadcast rights for Marlins games will be allowed to transmit live reports prior to and after Marlins games. All live television shots will be done on the field. No live shots will be permitted from the clubhouses. No live transmissions inside the stadium by non-rightsholders will be permitted while the rightsholder is on the air or the game is in progress. Radio stations will be permitted to provide "scene setters" and score updates between innings but these reports may not continue once an inning is underway. Any violations of these policies will result in revocation of credentials.

ROVING CAMERAS: Roving cameras must obtain prior approval from the Marlins Media Relations Department. After permission is granted, cameras are permitted to roam in all public areas other than the Club (Blue) level and the Picnic Area. Specific requests must be made before access to the Picnic Area will be granted. While roving, all photographers must not block any aisles or the views of any fans. Failure to adhere to these guidelines will result in the revocation of roving privileges for both the individual photographer and for the news organization that photographer represents.

ADMISSION TO DOLPHIN STADIUM: All media covering Marlins baseball may enter Dolphin Stadium through Gate H which opens four hours prior to game time. Media may pick up their credentials at Gate H Will Call four hours prior to game time. The window is open until one hour after scheduled start time, after which credentials may be picked up by calling the press box. All other Media who require their credentials prior to the opening of the Gate H window should see Marlins reception at Gate G.

PRESS BOX AND PRESS LOUNGE: Admission to the Dolphin Stadium press box will be limited to those individuals with appropriate credentials. These include: Marlins season and single-game credentials, BBWAA cards, Major League Baseball Working Press, Radio and Photographer passes and scouts with appropriate identification. Those individuals with the proper credentials will be able to purchase food in the Press Lounge (located directly behind the Press Box) from 2 1/2 hours before game time through the end of the third inning of each game. The Press Lounge area is considered a part of the working press area and only individuals with proper working credentials will be admitted at all times. No guests will be permitted.

AUTOGRAPH REQUESTS: As noted earlier, no members of the media may use their access to solicit autographs, personal photographs or equipment from players or staff of either participating team. Any autograph needs should be directed to the Florida Marlins Community Affairs Department in writing. Failure to do so will result in revocation of credential privileges and forfeiture of any items obtained.

BATTING AVERAGE (AVG.): Divide the number of hits by the number of at bats.

EARNED RUN AVERAGE (ERA): Multiply the number of earned runs by nine and then divide that number by the number of innings pitched.

FIELDING AVERAGE (PCT.): Divide the total putouts and assists by the total of putouts, assists and errors.

MAGIC NUMBERS: Determine the number of games yet to be played, add one, then subtract the number of games ahead in the loss column of the standings from the closest opponent.

ON-BASE PERCENTAGE (OBP.): Add the total of hits, walks, hit by pitches and divide by the total of at bats, walks, hit by pitches and sacrifice flies.

SLUGGING AVERAGE (SLG.): Divide the total bases of all safe hits by the total times at bat (at-bats do not include walks, sacrifices, hit-by-pitch, or times awarded first base because of interference or obstruction).

WINNING PERCENTAGE: Divide the number of games won by the total games won and lost.

QUALIFICATIONS FOR BATTING CHAMPIONSHIP: Highest batting average based on a minimum of 502 plate appearances, the equivalent of 3.1 appearances for each of the 162 scheduled games, which may include walks, sacrifices, hit by pitch, etc.

QUALIFICATIONS FOR PITCHING (ERA) CHAMPIONSHIP: Lowest earned run average with a minimum of 162 innings pitched.

QUALIFICATIONS FOR A FIELDING CHAMPIONSHIP: The fielders with the highest fielding average at each position, provided:

(1) A catcher participates as a catcher in at least one-half the number of games scheduled for each club in his league that season.

(2) An infielder or outfielder must have participated at his position in at least two-thirds of the number of games scheduled for each club in his league that season.

(3) A pitcher must have pitched at least as many innings as the number of games scheduled for each Club in his league that season. EXCEPTION: if another pitcher has a fielding average as high or higher, and has handled more total chances in a lesser number of innings, he shall be the fielding champion.
NOTE: These figures DO NOT determine Rawlings Gold Glove winners at the end of the season. Those are selected by a vote of managers and coaches.

QUALIFICATIONS FOR A ROOKIE: A player with no more than 130 at-bats or 50 innings pitched in the Major Leagues during the previous season or seasons, nor more than 45 days on a Major League roster during the 25-man player limit (excluding time in military service).

PINCH HITTING: A player shall be considered a pinch-hitter only if he enters the game as a substitute batter and then only on his first time at bat, which must be before he becomes a fielder. If the team bats around in the inning and a pinch hitter comes up a second time, he will not be considered a pinch hitter the second time.

CONSECUTIVE HITTING STREAKS: A consecutive hitting streak shall not be terminated if the plate appearance results in a base on balls, hit batsman, defensive interference or a sacrifice bunt. A sacrifice fly shall terminate the streak.

CONSECUTIVE-GAME HITTING STREAKS: A consecutive-game hitting streak shall not be terminated if all the player's plate appearances (one or more) result in a base on balls, hit batsman, defensive interference or a sacrifice bunt. The streak shall terminate if the player has a sacrifice fly and no hit. The player's individual consecutive-game hitting streak shall be determined by the consecutive games in which the player appears and is not determined by his club's games.

CONSECUTIVE-GAME PLAYING STREAK: A consecutive-game playing streak shall be extended if the player plays one-half inning on defense, or if he completes a time at bat by reaching base or being put out. A pinch-running appearance only shall not extend the streak. If a player is ejected from a game by an umpire before he can comply with the requirements of this rule, his streak shall continue.

HISTORY OF DOLPHIN STADIUM

Entering its 20th year of operation, Dolphin Stadium, originally known as Joe Robbie Stadium, was the first of its kind to be constructed entirely with private funds. The late Joe Robbie led the financing campaign to build "Joe Robbie Stadium"(JRS) for the Miami Dolphins of the National Football League (NFL). JRS revolutionized the economics of professional sports when it opened in 1987. Inclusion of a Club Level, along with Executive Suites, helped to finance the construction of the Stadium. Season ticket holders committed to long-term agreements and in return they received first-class amenities in a state-of-the-art facility which is still used as a model for new facilities across the country.

On March 7, 1990, H. Wayne Huizenga, then Chairman of the Board and Chief Executive Officer of Blockbuster Video and Huizenga Holdings Inc., agreed to purchase fifty percent of Joe Robbie Stadium and became the point man in the drive to bring Major League Baseball to South Florida. That effort was rewarded in July of 1991, when South Florida was awarded a National League expansion franchise. On January 24, 1994, Mr. Huizenga acquired the remaining fifty percent of the stadium to give him complete ownership. Since 1991, several million dollars have been spent to upgrade and renovate the stadium. The improvement and revitalization of the building under Mr. Huizenga has allowed the stadium to remain one of the finest sports and entertainment facilities in the United States.

On August 26, 1996, Pro Player, the sports apparel division of Fruit of the Loom, sponsored the renaming of Joe Robbie Stadium as Pro Player Stadium. The sports apparel company became the first sports marketing and products company to entitle a stadium or arena. The stadium was renamed Dolphins Stadium in January 2005 as part of a major renovation initiated by owner Wayne Huizenga.

In April 2006, Dolphins Enterprises CEO Joe Bailey, announced and unveiled the new stadium logo and modified name. The stadium name was changed to Dolphin Stadium, and a new, modern-looking dolphin in orange, teal, blue and platinum colors with the words Dolphin Stadium was unveiled as the new stadium logo. Also unveiled were the two largest hi-definition video boards in professional sports and a new fascia LED ribbon-board (the largest in the world).

Today, Dolphin Stadium is undergoing a historic transformation, unlike any stadium in the United States has experienced. Working with HOK Sport, Rockwell Group and Stiles Corporation, all renowned in their respective fields, Dolphin Stadium will be a state-of-the-art facility that will offer the most-inspired and unmatched stadium experience in the world.

BASEBALL RENOVATIONS

- In order to accommodate Major League Baseball, the stadium underwent a series of renovations.
- In 1999, fans on the 100 level were treated to brand new concession stands which offer efficient and convenient service the 400 level had new concession stands installed in 1998.
- Conversion included the installation of retractable seating on the north side of the stadium and the construction of the baseball press box in the southwest corner of the facility... baseball dugouts were added in addition to 660 new lights for suitable night play.
- The renovation also included an electric disappearing pitcher's mound... the stadium also features a synthetic warning track designed to absorb water... clubhouses and other amenities were added for baseball, including the Batters Box . lounge located behind home plate and adjacent to the Marlins' clubhouse.

STADIUM RENOVATIONS

- Many new parking renovations and access improvements have been made, including expanded permit parking for suite patrons and season ticket holders. A new RV and limo parking lot has been created along with easier-to-read signage.
- The flooring on the 100 level was remodeled in 1999. The flooring on the 400 level was remodeled in 1997. In 2002, a complete new distributed sound system was installed.

MARLINS HISPANIC MARKETING

SPANISH-LANGUAGE AND HISPANIC CULTURAL EVENTS

Béisbol is a passion played out on grassy fields and dirt plains throughout Latin America and the Caribbean. The Marlins aim to bring this same passion to the diverse Hispanic community of South Florida. It is the goal of our Hispanic Marketing efforts to take a proactive approach in bringing Los Marlins to our fans in their communities.

Marlins en Miami Store

Fiesta Latina The Florida Marlins host a Fiesta Latina in the Gate H plaza area 90 minutes prior to every Friday home game. This party is our signature Hispanic event with a distinctive Latin flavor featuring a live band performing salsa and merengue music and free Salsa dance lessons for any of our fans who would like to learn. During the event, fans can also take part in another Hispanic tradition of playing dominos while enjoying the live entertainment!

2009 SPRING TRAINING

The Florida Marlins enter their seventh Spring Training at Jupiter's Roger Dean Stadium, approximately one hour north of the Club's regular season home of Dolphin Stadium. The complex is located on approximately 110 acres within the Abacoa Community. Abacoa is located on Donald Ross Road, approximately ¼ mile east of Interstate 95. The Marlins share the Palm Beach County facility with the St. Louis Cardinals, the only multiple-team Spring Training site in the Grapefruit League.

Roger Dean Stadium was named the Professional Baseball Field of the Year by the Sports Turf Managers Association.

In 2003 *Baseball America* recognized Roger Dean Stadium as baseball's fifth-best spring training facility,

Overall, the Marlins begin their 17th spring training on Wednesday, February 25, when they take on the St. Louis Cardinals. The Marlins spent their inaugural Spring Training at the Cocoa Expo Center in Cocoa Beach and played nine years (1994-2002) at Space Coast Stadium in Viera (Melbourne).

The $28 million state-of-the-art complex opened on February 28, 1998 and accommodates 7,000 fans with luxury sky box seats, field and loge box seats, bleachers and berm seating. The ballpark seats approximately 6,700 and another 300 fans can spread out on a blanket and catch a closer glimpse of the game from the berm seating, located just in front of the Party Deck in right field. The six air-conditioned luxury suites provide 320 square feet of interior entertainment including a wet bar, refrigerator, sink, ice maker, color television with VCR, sofa, bar stools and additional seats. Each suite has seating for 12 (outdoors) and is available with a private entrance and elevator access.

Following spring training, the complex is the home of the Class A Jupiter Hammerheads (Florida affiliate) and the Palm Beach Cardinals (St. Louis affiliate) of the Florida State League.

Offices for the Marlins Media Relations Department and the media workroom are located in the Marlins executive offices, beyond the left field wall at Roger Dean Stadium. The Press Dining area is located in the main press box area. Admission to all Marlins spring training games requires either a spring training credential, a BBWAA card, or a Marlins daily spring training credential.
